

Member Interest And Participation Survey

The aim of this survey is to determine member interest and desire to participate in a variety of things. Our congregation is full of members that desire to do God's work. It is our hope that this survey can aid in helping members serve in current ministries as well as finding new ways to serve and possibly new ministries yet to be created. Your participation in this survey is highly desired and valued.

Small Groups (Also known as house groups or life groups)

Small Groups are simply monthly bible studies held in homes consisting of 5-10 adults. Meetings could take place on Friday, Saturday, or Sunday. Even though we are a small church, small groups can still offer a unique dynamic to our congregation.
